3. Uitbetalingsvoorwaarden

TERMS & CONDITIONS, lastig te vinden maar

Cash Account Terms and Conditions include:

1. For Players who receive a first deposit bonus or second deposit bonus, the cash balance can be withdrawn from the Cash account at any time. For players who receive a bonus after making a third deposit, a minimum of 30 times the bonus balance must be wagered prior to making a withdrawal from their Cash account. Please note, as a Player's bonus balance clears from their bonus account to their cash account the wagering required to withdraw from the cash account will also decrease. For example:
 - If a Player receives a €100 bonus, they will have to wager approximately €20,000 based on a game with 100% wagering contribution (e.g. Slots and Parlor Games) before attempting a withdrawal.
 - Similarly, they will have to wager €40,000 based on a game with a 50% wagering contribution (e.g. Table Poker, Casino War, Sic Bo) and so on.

3. Uitbetalingsvoorwaarden

If a Player makes a withdrawal, their bonus account is reset to zero; however any unmet wagering requirements will remain. This means that if a Player chooses to take back the money they deposited, they will lose any bonus money they may still have remaining in their Bonus Account.

Withdrawn funds will be held in pending for 2 working days, during which time you may reverse the withdrawal in order to continue playing at Zodiac Casino.

Players who win a sum that is 5 times or more greater than their total purchases across all Casino Rewards partner casinos will only be able to withdraw their winnings at a sum of €4000 a week.
